THE BAANI SPA COMPLEX

Slow down, pause and let go

The complex encompasses the luxuries of the fundamental elements to follow a holistic health and wellness approach. It is here where you find your rhythm of life and connection within your authentic self. Escape to the spa and just be yourself while discovering the ultimate well-being for your mind, body and soul.

Baani ("The Ocean Swell" in Dhivehi) reminds us of the rhythm of life. Like the rhythm of the ocean as it swells and recedes, the tides rolling in and out, we connect to the rhythm of our own authentic self. The rhythm of our breath, the rhythm of life. Like the waves slowly lapping onto shore, fading into the sand, gently slowing down, you will arrive at Baani Spa to slow down, unwind, and release the stress of mundane life. The turbulent waters of your busy life start to calm down. Experience how you begin to drop in, become still and relaxed. You start to restore your inner balance. Then, like the swell of the ocean gaining momentum, you regain your energy, vitality. Filling up with good vibes, gain power to ride a new wave of your life with vigor.

SPA BOUTIQUE

Take your spa experience home with exclusive Baani Spa skin care and well-being products. The boutique is equipped with essential aroma oils and skin care products to keep your Maldivian glow until your return to Kagi Maldives.

THE SPA CORNER

Healthy living comes with healthy food. These two are inseparable and essential ingredients for the journey called life. Indulge into Fresh juices and healthy menu delights. Wellness is cultivated from the inside out.
